Dear P. Dawg,

I would like to take this opportunity to sincerely thank you for having the ability to see in me that little something that led you to extend the invitation to attend the June workshop. I can not express how proud I am of myself for having the courage to attend the workshop. How proud I am of my parents for encouraging me to attend this workshop and how thankful I am to you, P. Dawg, for offering this workshop, not only to myself, but to many others. I can tell you that I learned more in the ten days I spent in New York and at the workshop than I learned in ten months of school. The classes I took were awesome and insightful. To the teachers - I extend a "Big Thank you" for taking the time to spend with me and teach me. I am also thankful for getting the opportunity to meet some really cool kids from across the country. What an experience! With warmest regards from Lubbock, Texas.

Most sincerely,

Sydney Wilson

P.S. Thank you also for the hospitality you showed us at your beautiful home.
