Dear Peter,

Thank you very much for having me back at the Beginnings Workshop this summer! I had a really great time meeting and working with your performers from Broadway. I learned so much and I can't wait to go back next summer! My favorite activities were the coaching sessions and the modern dance classes. (I had fun, too!) I'm going to be dancing again at Doreen's studio this year, and I'm in the Cinderella musical at school. Thank you again for everything!

From,

Lauren Daniska
