Hi Peter,

I just wanted to let you know that the beginnings workshop was a great experience for me. The classes were really good and the teachers were awesome. Although I'm not exactly the biggest fan of tofu, i really did like the workshop. Also, my chaperone said that they weren't supposed to give out their information to us, and that if we wanted it we had to ask you for it and i would like to keep in touch with my chaperones because they were really nice, so i was wondering if you could give me there information. Thankyou for a great learning experience and loads of fun.

Sincerely,  
Lauren Yocum
