Hello Peter aka Pdawg,

Let me say, what a change of view of how I see the world since the workshop! Ever since I got back home, I've been drinking Soymilk! I have also been taking commitments in my daily life seriously. I've been looking into regional theatres for next summer, and I feel that I am more (how to say this without confusion) prepared for future preparation of auditions! I'm taking my future goals more seriously and with optimism! I feel that I have a better view of who I am and where I am going with my dreams! I want to thank you for the amazing opportunity you have given me to be a part of Beginnings.. It was certainly a big surprise to have that opportunity in such a small town! I have just finished my community's summer show High School Musical as Kelsi. And I always had my notebooks on stage that I took my class notes in to read throughout a class scene. Hehe! Thank you so much again for this opportunity!

Musically,
Danielle Wehr
(aka the girl with the 'dog jaw') <=> got you there 😊

P.S. Is there any way that I could go to a mini-workshop another year? Or do I have to go at the provided dates? And I was wondering if I could add Alyce Mott and Tessa Netting to my friends list on Facebook. Thanks!
