Hey Peter,

Thanks so much for an awesome week, it was tons of fun!! Now before I get into all the "thank you's" and such I was wondering if I could add Chelsey Fitzgerald, Danielle Famble, and Kevin Elliot as friends on facebook!! I know we talked about this, but I was just making sure!!

Now for the "thank you's." I thoroughly enjoyed myself at the workshop and I am so glad I went! I learned so much in such a small amount of time. Not just things for performing per say, but also things about myself and my future. I felt amazing about myself when I left the workshop and it's all thanks to your amazing staff. First off my chaperone's...they were GREAT!! We had so many laughs and I felt very connected to them! Definitely keep them around so I can see them in upcoming workshops haha. I also loved Maggie Maes and the class she taught. It was so nice to escape the world and really find time to just think things through. And of course, Wayne...he is amazing and while I am a dancer I learned so much!! And last, but definitely not least, you. Peter thank you so much for coming to my studio and talking to my friends and I. You accepted me and allowed me to experience a once in a lifetime opportunity! Performing in an Off Broadway showcase is something that I will remember forever! I am very grateful! I hope to see you in the future and thanks again for EVERYTHING!!

Sincerely,
